

# YOUTH figure skating

- Our programs use the nationally recognized *US Figure Skating Basic Skills Program*, and fees include *USFS* membership.
- Classes meet once a week, and skates are provided for all levels.
- The minimum class size is 6 skaters. We reserve the right to combine classes with fewer than 2 skaters. When only 1 skater is in attendance, he/she will receive 15 minutes of private instruction.
- Skaters progress at their own rate, moving on to the next level only after required elements are mastered. All levels may be repeated until the requirements are met. The Rockford Park District reserves the right to move any skater between levels. The skills evaluation for each level must be passed prior to registration for the next level.
- Badges are presented as skaters complete each level of the program.
- If you need to miss your regular class, you can make it up if it is offered another time during the week. If not, you can use one of your free public skates or freestyle session passes to practice.

## Tot 'n' me (Ages 3–4)

This class is a great way to be active with your child! Parents/guardians, age 16 or older, and kids can strap on a pair of skates and learn to skate together. Parent/guardian must wear skates. Skate rental is included for both in class fee.
