Subject: **Ordinance 2020-O-01: 2020 Annual Budget and Appropriation**

Date: December 10, 2019

Overview of 2020 Budget

The staff of the Rockford Park District presents to you the 2020 Budget and Appropriation Ordinance and Certification of Estimates of Revenue. As required by your Policy 2.3 Financial Planning/ Budgeting, the 2020 budget has been balanced within available resources, is aligned to achieve the District's Priority Results, maintains the District's operational fund balances, and funds the 2020 Capital Improvement Program.

Over the last several years, the Park District budget has been impacted by local economic conditions, including significant declines in Equalized Assessed Value (which affects the property tax levy), sensitivity to increased user fees, and the increasing costs of doing business. While facing these challenges, we have been able to consistently provide outstanding park and recreational offerings to our community; however, with declining revenue both through fees and a declining tax base, along with population and demographic shifts, it is becoming more difficult to provide the same level of service without an increase in revenue or a decrease in our footprint.

The District performed a community-led master plan process in 2018 to determine District priorities and the allocation of resources of taxpayer dollars. Results indicated that programs and services most valued to the community are: neighborhood parks, open space and trails, arts and cultural programs, and programming for youth, teens, and families. Community recommendations turned into priorities for the District and helped develop a five-year strategic plan to achieve Board/communities' priorities while matching the economic realities of the District and community. The Board re-affirmed these priorities for 2020.

During the November 5, 2019 board meeting, the Board of Commissioners gave overall direction to prepare a balanced budget with a 2019 property tax levy equal to the 2018 levy extension in the operating funds. The levy was approved at the November 19, 2019 meeting and the District

anticipates a reduction in the overall tax rate from \$1.0963 to an estimated \$1.0390. The budget herein follows that direction.

In summary, major considerations incorporated into the 2019 budget are as follows:

Modification of Programs and Services

- Suspension of Alpine Hills Snow Park
- Continued operation of Alpine Pool as a result of pledged support from the City of Rockford through city water bill relief
- Re-opening of Sand Park Pool, as a result of funding pledged from Loves Park hotel tax which reduced the subsidy at Sportscore II
- Full year of Skybox restaurant and simulators
- Potential privatization of the Forest City Queen
- Continued Limited Trolley Car 36 operation funded by donors and sponsorships
- Pricing increases in areas identified through our community feedback and diligent market review
- New sponsorship agreements for IYSA and Toyota

The chart below* summarizes the total revenue and total expenditure changes for 2019 to 2020:

Operating Funds Budget Highlights

Revenue and expenditure highlights for the 2020 operating budget are as follows:

Revenue:

Property Taxes – The property tax budget in the operational funds for 2020 is based on the same levy as the 2018 tax levy extension (2019 collection).

Other Taxes - Corporate Personal Property Replacement Tax (PPRT) is projected to increase by approximately \$475,000 as a result of increased projections from the State of Illinois.

Intergovernmental Revenue is increasing by about \$67,000 due to support from the City of Rockford and City of Loves Park, an increase in the RPS205 Summer grant program, offset by the elimination of the one-time support from Reclaiming First funding for the UW Health Sports Factory.

Fees – The District’s fee revenue is projected to increase by about \$592,000 mainly due to a full year of operation for the Skybox and simulators, and an increase due to the reopening of Sand Park Pool. There are also increases included for merchandise sales in golf, price increases for NCG admissions and ice, and reductions for the snow park suspension and golf forecasts for rounds and pass revenue.

Interest – Interest income increased \$29,400 to reflect increased rates of returns on investments.

Other Revenue is projected to increase about \$34,000 mainly due to an increase in the budget for two new sponsorships and an increase in the budgeted amount for Foundation support of the Help Me Play program.

Expenditures:

Personnel - Overall personnel costs increased by 5.6%, or \$872,000. As recommended by the Compensation Committee and the Board, an overall team merit increase of 2.5% was incorporated into the budget, as well as .5% for compression/market adjustments. Additional staffing was added to the budget for the re-opening of Sand Park Pool and a full year of the Skybox restaurant. Staffing was reduced for the suspension of Alpine Hills Snow Park. The year 2020 is also the first year in the scheduled minimum wage increase, which will be \$10.00 by July 1.

Benefits increased 1.1%, or \$106,500, mainly due to the increase in the IMRF employer rate from 7.78% to 9.25%, offset by a decrease in Workers Compensation and health insurance.

Supplies/Services increased by 9.03%, or \$733,500. This is primarily due to the increases for Skybox food for resale and advertising, increased contractual mowing costs, and software agreements. The 2020 budget retains a \$30,000 Board contingency and includes a \$150,000 programming and/or maintenance contingency.

Utilities decreased 2.4%, or -\$39,000 mainly due to eliminating the partial year budget for Magic Waters and not operating the snow park.

Fund Transfers – Fund transfers decreased mainly due to the reduction in the transfer from Magic Waters to CIP.

Capital Funds Budget Highlights

Revenue – Budgeted revenues include bond proceeds and grants for the District’s annual issue for District capital repairs and replacements. Revenues also include the property taxes required to pay debt service on the District’s annual bond.

Expenditures – Expenditures for Capital Projects were budgeted based on District priorities and are detailed later in this document.

The following pages include your 2020 Priority Results and a narrative document providing more detailed commentary for all areas of the Park District.

early February and even then, ice storms and rain prevented sculpting from beginning until Thursday evening.

- Thanks to a grant from the Community Foundation from Northern Illinois and volunteer efforts from a couple of our sculptors, two new forms were built for snow blocks resulting in nearly perfectly white snow blocks and a much more efficient and streamlined operation to pack the blocks. This new method also greatly reduced the number of staff needed to perform this task which was further aided by the efforts of several volunteers.

Former NHL player Raitis Ivanans is entering his 5th year coaching our Mite Travel Program. He also continues to be a key contributor to Dekes and Dangles, which under his leadership is one of the most sought after classes we offer, and he is active in our Hockey Camps and Spring Program. Locally, the Jr. Ice Hogs program would not be able to exist for approximately 450 youth without the commitment of 60-70 coaches.

2020 Budget and Program Summary:

The spring season for District hockey is projected to continue to be the busiest, capitalizing on players from in house and travel programs. The ice team continues to support the work of the Rockford Hockey Club and Rockford Skating club for their success by offering complimentary off-ice training, clinics, and camps to support all player development. Due to the success of these training programs, there are 60 more Rockford Hockey Club players in the 2019/2020 season. Frosty Friday public skates will start one month earlier, in September, due to increase in popularity with the additional experiences with a DJ, food and beverage packages, etc. There will be new streamlined pricing with some increases to attract increased participation for public skates and Sapora Playworld.

In general, rising costs for repair and maintenance along with inimum wage increase continue to impact the level of subsidy for ice facilities. The team continues to maximize program offerings, connecting new customers to the facilities, and foster and maintain mutually beneficial program and business partnership.

Programs/Activities Included: The men and women of the Rockford Park District Police Department are committed to providing a safe and secure environment so the citizens of our community feel safe patronizing our parks and facilities. Officers deter criminal activity by providing security and police protection on a daily basis and often collaborate with other local law enforcement. Officers patrol the footprint of the park district providing resources to several events while enforcing both traffic and criminal laws.

2019 Highlights:

Chart below shows a substantial decrease in burglaries from 2018 to current due to increased officer presence and “hot spot” policing. Officers did a tremendous job of patrolling and monitoring the District’s footprint for burglary activity. I expect this effort to continue thanks to us adding additional video surveillance cameras.

Rockford Park Police Three Year Crime Comparisons

Part 1 Crimes	2017	2018	2019
Homicide	0	0	1
Rape	1	1	1
Robbery	8	1	2
Assault	39	19	10
Burglary	22	56	23
Larceny-Theft	26	27	29
MV Theft	2	2	0

We continued our efforts in “hotspot” policing which contributed to the decrease of burglaries. We made several arrests while investigating thefts and criminal activities afoot in the parks and conducted illicit sexual activity details at Alpine Park and burglary to motor vehicle details throughout the district. Although these

details were successful they impacted our overtime budget. We held our first annual Youth Academy this year, focusing on bullying, traffic stops, and criminal laws.

2020 Budget and Program Summary:

As we continue our efforts to deter crime and provide a safe recreation environment for our citizens, we will continue to respond to complaints, address concerns, and utilize our new portable video surveillance cameras to monitor activity in areas of concerns. In addition, we will continue to work on ways to decrease juvenile crime and make sure youth are active and engaged in the right activities. We are looking forward to hosting our 2nd Youth Academy.
